

CSEE AND CSEE PAC DONATION FORM

CSEE Political Action Committee (CSEE PAC) makes political contributions to candidates and ballot measures that actively support a pro-early education agenda. Californians for the Support of Early Education (CSEE C4) is a California non-profit corporation that strives to provide education to politicians and the public about the value of early education to children, families and the community. These two entities operate independent of each other.

If you desire to make a contribution to either organization, please complete the following form and return it to the address listed below. We prefer donations be directed to the CSEE Political Action Committee (CSEE PAC), as our primary focus is to participate in political action.
